E. Christopher Mare ~ Village Design Institute
1221 Harris – PMB 24, Bellingham, Washington, 98225, USA
(360) 927-2224 ~ ecmare@villagedesign.org

Formal Education:

- 11/2007– Present – Fielding Graduate University; Santa Barbara, CA; Ph.D. Human and Organizational Development – preparing Dissertation researching the question: “What is the experience of yoga in an ecological design scenario?”; awarded M.A. in Human and Organizational Systems midway through program
- 3/2004 – 9/2005 – Fielding Graduate Institute; Santa Barbara, CA; Ph.D. Human and Organizational Development – laying the groundwork for an Action Research Project introducing the concept “Urban Village;” selected to serve on Curriculum Committee
- 9/1999 – 9/2003 – Antioch University; Seattle, WA; M.A. Whole Systems Design – intensive transdisciplinary exploration of fundamental themes of Village Design in terms of systems languaging; thesis was a meta-design project: designing and implementing an Ecovillage Design Course
- 9/1994 – 6/1999 – Fairhaven College, Western Washington University; Bellingham, WA; self-designed B.A.: “Village Design: Ekistics for the 21st Century” – a broadly interdisciplinary proto-curriculum; world’s first degree devoted to Ecovillage Design
- 3/1980 – 6/1981 – US Navy; NAS Memphis, Millington, TN and Cecil Field, Jacksonville, FL, – Advanced First Term Avionics program; moving to USS Enterprise
- 9/1973 – 6/1977 – Edison High School; Huntington Beach, CA; diploma – awarded state scholarship to University of California at Irvine, undeclared major in Physical Sciences, but chose not to pursue college at that time

Ecovillage, Permaculture, and Sustainable Community Design Education:

- Spring 2012 – NCI Charrette Management and Facilitation Training; National Charrette Institute, Portland, Oregon
- Spring 2012 – NCI Charrette System Training; National Charrette Institute, Portland, Oregon
- Winter 2012 – Integrative Design Workshop; Urban Land Institute, Seattle – innovative design process presented by Integrative Design Collaborative, Inc., Arlington, MA and 7Group, Wellsville, PA
- Summer 2010 – Sustainability Regional Intensive Workshop – 3rd Annual Fielding Village

- Gathering; OUR Ecovillage, Vancouver Island, Canada – doctoral level seminars within an ecovillage milieu; theory *and* practice
- Autumn 2009 – CLEAR Village Design Lab; Institute for Advanced Architecture, Barcelona, Spain – three-day “design lab” for the purpose of creating a re-producible sustainable village template
- Summer 2009 – 2nd Annual Northwest Permaculture Convergence; Sahale Retreat Center, Hood Canal, WA – workshops, presentations, networking, and occasional buffoonery with the greater Pacific Northwest permaculture community
- Summer 2009 – First expedition into Tuscany and the Provence to study traditional village patterns and morphologies
- Summer 2008 – Gaia Education Meeting; Solheimer Ecovillage, Selfloss, Iceland – presentations from around the world; incorporating as a Charitable Trust in UK; initiating the Virtual GEDS program at UOC Barcelona
- Autumn 2007 – Ecovillage Design Education; Wongsanit Ashram, Thailand – participant-observer to the delivery of the EDE Curriculum to an international cast
- Winter 2007 – Gaia Education Meeting; Wongsanit Ashram, Thailand – evaluating with the GESE progress of the Ecovillage Design Education (EDE) curriculum
- Autumn 2006 – “Making a Difference: Creating a Sustainable World;” Esalen, Big Sur, CA – seminars facilitated by Maggie Seeley, Kat Steele, and Zaida Amaral
- Summer 2006 – Village Design Intensive; Lovelock Village Project; Amarillo, TX – hosted by Phil Hawes, chief architect of Biosphere II
- Winter 2006 – Lopez Island Community Land Trust; Lopez Island, WA – weekend Design Charrette; invited to be on the Design Team
- Autumn 2005 – GEN + 10 International Conference; Findhorn, Scotland – launching of the UN-endorsed Ecovillage Design Education (EDE) curriculum, accompanied by workshops and symposia
- Spring 2005 – Training of the Trainers; Ecovillage Design Education; Galgafarm, Hungary – testing the EDE curriculum and giving birth to Gaia Education
- Spring 2004 – Ecovillage Design Education; Findhorn, Scotland – first meeting of international consortium laying the groundwork for the Ecovillage Design Education curriculum
- Spring 2003 – Sustainable Village Design Course; The Farm, TN – facilitated by Greg Ramsey with Albert Bates
- Winter 1999 – Ethnographic Study of Traditional Villages – Guatemala and Mexico
- Spring 1998 – Moulin du Bonheur Ecological Design School; La Rochelle, France – hosted by Phil Hawes
- Advanced Permaculture Design Course; La Rochelle, France – facilitated by Penny Livingston
- Spring 1997 – Village Design Course; The Farm, TN – facilitated by Peter Bane and Albert Bates, et al.

- Autumn 1996 – Permaculture Design Course; Crystal Waters, Queensland, Australia – facilitated by Max Lindegger and Frances Lang
 - Ecovillage Design Course; Crystal Waters, Queensland, Australia – facilitated by Global Ecovillage Network
 - Sixth International Permaculture Conference; Perth, Western Australia
 - Ecovillage Design Course; Rosneath Farm; Dunsborough, Western Australia – facilitated by Warwick Rowell
- Winter 1996 – Experience Week and Living in Community Programs – Findhorn Ecovillage, Morayshire, Scotland
 - Month-long Internship; Permaculture Institute of Ireland; Clones, Republic of Ireland – facilitated by Marcus McCabe
- Spring 1995 – Permaculture Design Course; Happy Valley, Bellingham, WA – facilitated by Larry Santoyo and Simon Henderson
- Spring 1993 – Permaculture Design Course; The Farm, Happy Valley, WA – facilitated by Larry Santoyo and Simon Henderson

Related Ecovillage and Permaculture Design Experience

- 11/2006 – 5/2010 – North Creek Village; Bothell, WA – setting up a Community Education Campus with a Sustainability Demonstration Site as the center of a developing Urban Village
- 8/2004 – 11/2006 – The Land; Happy Valley, Bellingham, WA – co-participant in an effort to create an Urban Ecovillage by piecing together five adjacent properties into a coherent whole, with a Co-op school as the anchor
- 4/1999 – 8/2004 – Outback Farm; Fairhaven College; Bellingham, WA – creating a Permaculture Demonstration Site on university property
- 9/2001 – 9/2002 – Oasis; Happy Valley, Bellingham, WA – co-participate in establishment of residential Urban Permaculture Project
- 1/1995 – 9/1997 – The Farm; Happy Valley, Bellingham, WA – co-creation of Ecovillage and Permaculture Demonstration Site for 6 acres within city limits; site was eventually purchased by a CoHousing group
- 9/1993 – 2/1994 – Bitterroot; Aeneas Valley, Okanogan County, WA – caretake 40 acres and a pair of horses on an abandoned commune way up in the hills

Leadership, Management, and Business Education

- Winter 2013 – Winter Session; Fielding Graduate University; Santa Barbara, CA – a week of seminars, meetings, and dialogue with an Organizational Development focus; convened a reorganized Dissertation Committee
- Winter 2012 – Winter Session; Fielding Graduate University; Santa Barbara, CA – a week of seminars, meetings, and dialogue with an Organizational Development focus; convened my first Dissertation Committee meeting

- Winter 2011 – Winter Session; Fielding Graduate University; Santa Barbara, CA – a week of seminars, meetings, and dialogue with an Organizational Development focus
- Autumn 2010 – Web Design and Development, Level 1; Western Washington University; Bellingham, WA – first quarter of a three-quarter Certificate Program
- Spring 2008 – Research and Practice Session; Fielding Graduate Institute; Anaheim, CA – series of seminars preparing doctoral students for the research and dissertation stages of their study
- Winter 2008 – Winter Session; Fielding Graduate Institute; Santa Barbara, CA – a week of seminars, meetings, and dialogue with an Organizational Development focus
- Autumn 2007 – Microsoft PowerPoint: Level 1; Cascadia Community College; Bothell, WA
- Summer 2007 – Integrating Fundraising, Public Relations, and Volunteer Management into your Organization's Work; South Seattle Community College – facilitated by Lisa Arnold Consulting
- Autumn 2006 – Millionaire Mind Intensive; Vancouver, B.C. – facilitated by Peak Potentials Training
- Summer 2006 – Leadership Training/Group Facilitator Skills; Johnson's Landing Retreat Center; Kaslo, British Columbia – facilitated by Brita Adkinson
- Summer 2005 – Governance Retreat; Fielding Graduate Institute; Arlington, VA – three-day business meeting with faculty, staff, administration, and fellow students on governance committees
- Spring 2005 – Transformative Learning Seminar; Fielding Graduate Institute; Emeryville, CA – special three-day seminar for students working in the Knowledge Area of Transformative Learning
- Winter 2005 – Winter Session; Fielding Graduate Institute; Santa Barbara, CA – the annual meeting on the West Coast of Fielding students, faculty, and alumni – a week of seminars in Human and Organization Development
- Spring 2004 – Orientation and Practice Session; Fielding Graduate Institute; Santa Barbara, CA – introduction to Fielding and its networked learning format of graduate-level education

Spiritual Training

- Winter 2013 – 10-Day Vipassana Meditation Course; Cedar Ridge Retreat Center; Vernonia, OR
- Winter 2012 – 10-Day Vipassana Meditation Course; Dhamma Kunja; Onalaska, WA
- Autumn 2011 – Iyengar Yoga, Level II; Northwest Yoga; Bellingham, WA
- Summer 2011 – Iyengar Yoga, Level II; Northwest Yoga; Bellingham, WA
- Spring 2011 – 10-Day Vipassana Meditation Course; Dhamma Kunja; Onalaska, WA
- Autumn 2010 – Iyengar Yoga, Level II; Northwest Yoga; Bellingham, WA

Summer 2010 – Iyengar Yoga, Level II; Northwest Yoga; Bellingham, WA
Spring 2008 – Raja and Hatha Yoga Intensive; Ananda Sangha; Bothell, WA
Autumn 2007 – Raja and Hatha Yoga Intensive; Ananda Sangha; Bothell, WA
Autumn 2003 – 10-Day Vipassana Meditation Course; Dhamma Kunja; Onalaska, WA
Winter 2003 – 10-Day Vipassana Meditation Course; Dhamma Kunja; Onalaska, WA
Summer 2002 – Iyengar Yoga, Level I; Northwest Yoga; Bellingham, WA
Winter 2002 – 10-Day Vipassana Meditation Course; Dhamma Kunja; Onalaska, WA
Autumn 2001 – Iyengar Yoga, Level I; Northwest Yoga; Bellingham, WA

Conferences

Summer 2013 – 6th Annual Northwest Permaculture Convergence; Pacific University; Forest Grove, Oregon – presented a slide-show: “Neurophenomenology of Settlement Morphology”
Spring 2013 – 50th International Making Cities Livable Conference; Governor Hotel; Portland, Oregon – delivered a paper entitled: “Village Design as a Retrofit Solution for Suburbia”
Summer 2009 – “Growing Community;” National Cohousing Conference; University of Washington, Seattle
Summer 2008 – Oxford Round Table; Oxford, England – invited to be a participant in a forum entitled “Sustainability: The Ultimate Quest”
Spring 2008 – Ecocity World Summit; San Francisco, CA – delivered a paper entitled: “An Historical Survey of Urban Densities as a Consequence of Energy Regime: Descent into the Urban Village”
Spring 2006 – World Urban Forum 3; United Nations Human Settlements Programme; Vancouver, British Columbia – attended as an NGO delegate
Spring 2004 – North American Conference on Sustainability in Higher Education, sponsored by Education for Sustainability West; Portland, Oregon – from this conference was birthed the Association for the Advancement of Sustainability on Higher Education (AASHE)
Winter 2004 – Synergy Conference; Evergreen State College; Olympia, WA – selected to be on a “Sustainable Communities” discussion panel
Autumn 1996 – Sixth International Permaculture Conference; Perth, Western Australia

Teaching Experience:

Summer 2013 – Oklahoma State University; Stillwater, OK – present a class in the Botanical Garden: “A Potpourri of Yogic Exercises Designed to Develop Wellness through Mind-Body-Ecology Awareness”
Summer 2013 – Oklahoma State University; Stillwater, OK – present slide-show and moderate discussion: “Eco-Village Design Is Eco-Conscious Design” to combined Architecture and Landscape Architecture class

Summer 2013 – Oklahoma State University; Stillwater, OK – present slide-show and moderate discussion: “Neurophenomenology of Settlement Morphology” to the university’s Institute for Teaching and Learning Excellence (ITLE)

Winter 2013 – Fielding Graduate University; Santa Barbara, CA – designated “Student Anchor” for quarter-long, on-line doctoral seminar “Somatics”

Autumn 2012 – Prescott College; Prescott, AZ – official “Mentor” for an individualized undergraduate study: “Sustainable Building Design”

Winter 2010 – Ratanakiri Province, northeast Cambodia – permaculture advisory and consultation for NGO managing the conversion of indigenous villages to ecovillages

Winter 2010 – Kog Klang village, near Khon Kaen, Isan, northeast Thailand – facilitate a full week Ecovillage Design studio for EDE from Wongsanit Ashram; project is design of “People’s College” for the village and surrounding subculture

Winter 2010 – Gaia Education; UMAPAZ; Sao Paulo, Brazil – co-facilitate Curriculum Development Symposium for a group of Brazilian educators for the purpose of preparing the EDE curriculum for upgrade to Version 5

Spring 2009 – Antioch University; Seattle, Washington – deliver “Ecovillage Design Education” slide-show and discussion session to graduate level class: “Theories and Practices of Social and Environmental Change”

Winter 2009 – Payao Province, northern Thailand – facilitate Ecovillage Design Studio for EDE from Wongsanit Ashram; property owners wanted Retreat Center on 15 acres; also innovate retrofit design process for the adjacent traditional village

Summer 2008 – Findhorn Ecovillage; The Park, Findhorn, Scotland – present slide-show and facilitate discussion on the theme: “The Urban Village as Sustainable Organic Morphology”

Summer 2008 – Centre for the Study of Natural Design, University of Dundee; Dundee, Scotland – present slide-show and facilitate discussion on the theme: “The Urban Village as Sustainable Organic Morphology”

Spring 2008 – University of New Mexico; Albuquerque – facilitate the Design Studio for the Ecological Dimension of the EDE; graduated the first twelve EDE alumni in North America

Spring 2008 – Antelope Valley Community College; Lancaster, CA – present Urban Village slide-show, emphasis on retrofit for energy descent, to a group of faculty

Autumn 2007 – Moo Bahn Dek Children’s School, near Kanchanaburi, Thailand – facilitate Ecovillage Design Studio for EDE from Wongsanit Ashram

Autumn 2007 – University of New Mexico; Albuquerque – co-sponsor the Social Dimension of the EDE; introduce Urban Design Studio

Summer 2007 – School of Architecture and Urban Planning; University of New Mexico; Albuquerque – give presentation to a 400-level class immersed in a

“sustainability” seminar; discuss my urban village site plans

Summer 2007 – University of New Mexico; Albuquerque – co-sponsor the first week of North America’s first full EDE, beginning with the Worldview Dimension

Spring 2007 – Antelope Valley Community College; Lancaster, CA – adapt ecovillage design principles to a Health 101 class; describe my meditation experiences to a Stress Management class

Winter 2007 – Christian Center; Bangkok, Thailand – in conjunction with the Grassroots Leadership Training of the Spirit in Education Movement, present the Ecological Dimension of the EDE to a group of Burmese students

Autumn 2006 – Port Orchard, WA – give a presentation on Ecovillage Design at the Northwest Ecobuilder’s Guild Annual Retreat

Summer 2006 – Seattle, WA – design and present a weekend Urban Permaculture Design Workshop on a property in the Columbia City neighborhood

Summer 2006 – Port Townsend, WA – give an Ecovillage Design presentation at a certified Permaculture Design Course at the Port Townsend Ecovillage

Winter 2006 – University of British Columbia; Vancouver, Canada – one of my papers was chosen as required reading for a 400-level capstone class: “Land, Food and Community.” I went up to meet with the students and give a lecture on some of the more subtle points in the paper

Summer 2005 – Bellingham, WA – co-teach a Permaculture Design Workshop as part of an educational series sponsored by Kulshan Community Land Trust

Summer 2005 – Bodhi Creek Farm, near Kendall, WA – design and present a 5-day residential Ecovillage Design Course, a production of my Village Design Institute (VDI)

Spring 2005 – Training of the Trainers, Gaia Education; Galgafarm, Hungary – present two modules of the EDE to the curriculum design team

Spring 2004 – Permaculture Guild; Santa Barbara, CA – present Ecovillage Design slide-show at Sola House

Spring 2004 – Eco-Bell; Bellingham, WA – co-teach a 3-day weekend Urban Permaculture Design Workshop

Winter 2004 – Sahale Retreat Center; Hood Canal, WA – co-teach a 2-week certified residential Permaculture Design Course, sponsored by Friends of the Trees Society

Summer 2003 – Pragtri Farm, near Arlington, WA – design and present a 5-day residential Ecovillage Design Course, the Graduate Design Project for my M.A. degree; sponsored by my Village Design Institute

Autumn 2002 – Happy Valley, Bellingham, WA – coordinate a Group Independent Study Project: “A Pattern Language for Ecovillages”

Summer 2002 – Northwest Herbal Faire, near Van Zandt, WA – present two workshops: “Introduction to Organic Astrology” and “Rebirthing”

- Spring 2001 – Fairhaven College, WWU; Bellingham, WA – design and present a 3-credit, 300 level class: “Ecovillage Design”
- Winter 2000 – Applied Human Ecology class; Fairhaven College, WWU; Bellingham, WA – called in as guest presenter with Honoraria on five separate occasions over the next few years
- Spring 1998 – Moulin du Bonheur Ecological Design School; La Rochelle, France – present “Introduction to Organic Astrology” for the first time
- Spring 1997 – Fairhaven College, WWU; Bellingham, WA – conceive and facilitate a Group Independent Study: “Group Manifestation”
- Winter 1995 – Applied Human Ecology class; Fairhaven College, WWU; Bellingham, WA – co-design and co-facilitate this class for three consecutive quarters

Work Experience:

- 3/2006 – 4/2010 – Humanity First Worldwide; Bothell, WA – consultant/designer drawing site plans for Urban Villages, writing educational and promotional materials, and interfacing with city government
- 6/2004 – 6/2010 – Gaia Education, Global Ecovillage Network – designated Curriculum Coordinator in production of EDE; position evolved into Program Development Coordinator
- 12/2002 – Present – Village Design Institute; Bellingham, WA – President of educational non-profit promoting sustainability at *village*-scale
- 8/2002 – Present – Paradise Designs; Bellingham, WA – sole-proprietorship; principal designer creating Sacred Spaces
- 2/1994 – 9/1994 – Community Cultural Project; Tonasket, WA – served on Board of Directors and as Building Manager converting an old auto dealership into a thriving Community Center
- 6/1993 – 10/1993 – Filaree Farm; Okanogan, WA – experienced a full season on a specialty garlic farm: harvesting, drying, cleaning, packaging, and then planting for next season
- 4/1989 – 6/1992 – Bering Sea, Alaska – working on factory trawlers in a variety of positions
- 10/1986 – 10/1988 – LKB Instruments; Bromma, Sweden – Electronic Field Service Technician servicing and repairing biological research instruments; territory covered 13 Western states

Awards and Recognition:

- Winter 2013 – Fielding Graduate University; Santa Barbara, CA – Awarded HOD Scholarship for 2nd year in a row
- Winter 2012 – Fielding Graduate University; Santa Barbara, CA – Awarded HOD Scholarship

Autumn 2006 – World Peace Emerging, an E-Journal – featured in the Nov. 2006 edition on Visionary Leadership, available at www.worldpeaceemerging.com/articles/publish/article_102.php
Spring 1999 – United States Achievement Academy: All American Scholar Award
Winter 1985 – Outstanding Achievement Award: Wood Business Products; West Palm Beach, FL
Spring 1977 – State Scholarship: University of California at Irvine
Winter 1977 – Who’s Who American High School Students

Publications:

Summer 2012 – “Would an Ecovillage By Any Other Name Smell as Sweet?” – article published in *Communities* magazine, Issue #156
Autumn 2011 – “Ecological Key: Designing Ecological Habitats: Creating a Sense of Place” – editor for a textbook to accompany the EDE course; posted at www.gaiameducation.org
Summer 2009 – “Celebrating Spiritual Diversity in the Ecovillage Movement” – article published in the Worldview Key of the Ecovillage Design Education
Autumn 2008 – “Gaia Education Design for Sustainability” – executive editor for a virtual education offered by the Open University of Catalunya; Barcelona, Spain; see www.selba.org/GEDSEng/Taster/Taster.html
Spring 2008 – “An Historical Survey of Urban Density as a Consequence of Energy Regime: Descent into the Urban Village” – paper published in the Ecocity Summit 2008 Conference proceedings
Autumn 2007 – “The Urban Village: Synergy of Ecology and Urbanism” – self-published book; Village Design Institute
Autumn 2006 – “Geese In-formation”: newsletter for Gaia Education, posted at www.gaiameducation.org
Autumn 2005 – “Ecovillage Design Education;” curriculum for Gaia Education – endorsed by UNITAR as an official contribution to the DESD - 2005-2014; posted at www.gaiameducation.org I was the one who put this curriculum all together
Summer 2005 – “Geese In-formation”: newsletter for Gaia Education, posted at www.gaiameducation.org
Autumn 2001 – Interview/Transcript from KUGS “Food Not Lawns” program
Autumn 2000 – “Designing My Own Education for the Ecovillage Millennium,” an article published in *Communities: Journal of Cooperative Living*, Issue #108
Winter 1999 – “Village Design: Ekistics for the 21st Century,” portfolio purchased by River Oaks Properties; Bellingham, WA
Winter 1998 – Interview/Transcript from KUGS “Environmental Issues” program

Community Affiliations and Organizations:

- 3/2008 – Present – Member International Network of Traditional Building, Architecture and Urbanism – sister organization to the Prince’s Foundation of the Built Environment; London
- 5/2007 – Present – Member Ananda Sangha, worldwide
- 1/2007 – Present – Member Architects, Designers, and Planners for Social Responsibility
- 12/2005 – Present – Member International Society for Ecological Economics
- 6/2004 – Present – Member Global Ecovillage Educators for a Sustainable Earth (GEESE)
- 10/1995 – Present – Member Bellingham Permaculture Club
- 6/1999 – 6/2005 – Co-organizer for the Northwest Herbal Faire
- 9/1997 – 6/1999 – President: Sustainable Futures Club, WWU
- 7/1994 – 7/2001 – Back Stage Crew: Roots Mountain Reggae Festival

Writing Portfolio: Selected Contents (available at www.villagedesign.org)

- ◆ *Ecovillage as Ecosystem*
- ◆ *The Ecovillage as a Living Cell*
- ◆ *Ecovillages as Living Systems: Reviewing and Renewing Organic Settlement Patterning*
- ◆ *General Systems Theory as a Conceptual Tool for Ecovillage Designers*
- ◆ *A Preliminary Outline for “A Pattern Language for Ecovillages”*
- ◆ *Towards an Epistemology for the Ecovillage Designer*
- ◆ *Ecovillage Economics: Advocating a Human Scale*
- ◆ *The Economics of Sustainable Leisure*
